United States District Judge

Re: *United States v. Zarravon Quarry*, 21 Cr. 572 (VB)

Dear Judge Briccetti:

On September 15, 2021, United States Magistrate Judge Paul E. Davison sealed the above-referenced matter because of Zarravon Quarry's cooperation in an ongoing investigation. On October 7, 2021, Mr. Quarry pleaded guilty to the above-referenced information before the Court. The Court ordered the Government to provide an update on the continuing need, if any, to maintain these matters under seal and to postpone sentencing by January 7, 2022. In light of the discovery made by the Government in *United States v. Dusablon et al.*, 21 Cr. 628 (VB), there is no longer a continuing need for sealing in this matter. The parties would propose, however, to continue to postpone sentencing until Mr. Quarry's cooperation is complete.

Very truly yours,

DAMIAN WILLIAMS
United States Attorney
